

Paul Austin Callender, Jr., Memorial Biography

Paul Austin Callender, Jr. was born in Brooklyn, NY to Paul Austin Callender Sr. and Ada Pember on 13 Aug 1926. An interesting fact is that both he and his younger sister were born on Friday the 13th.

Paul served as a Private in the Army during World War II, enlisting at the age of 18. He was stationed in Germany until six months after the war ended.

Paul's father, all four uncles and his grandfather were all Methodist ministers and he followed that tradition. After he graduated from Ohio Wesleyan University, he attended Drew seminary and was ordained as a Methodist minister.

He left the active Methodist ministry in 1955 and was one of the founders of the Unitarian Universalist Fellowship of Sussex County, NJ where he served as pastor for over 30 years. He also started work as a technical writer, specializing on computers, and worked for IBM.

Paul later formed his own company, Information Systems Incorporated, and was on the board of the Sussex County New Jersey Planned Parenthood and was an active member of the New Jersey Clergyman's Council on reproductive options.

Later in life Paul developed Parkinson's disease and after a ten-year battle, he died on 9 Nov 2008. Paul is buried with his parents and his four uncles at the family cemetery plot in Mossville, Pennsylvania.

Paul's membership in the Society is based on his descent from Patriot Philip Callender who performed civil service in Sheffield, Massachusetts as a Town Selectman.
